

## Job Description – Weekend/Casual Staff

Roves Farm Visitor Centre is a family-run business and we are looking for some weekend staff to join our Activities team (Sat and/or Sun)

Your day would begin by helping to prepare the Visitor Centre for the day. This may include feeding and cleaning out the animals and the barn, cleaning and maintaining play areas, preparing the day activities that are taking place.

Once the Centre opens to the public you will be part of a team running our daily activities which include:

- Animal talks and demonstrations
- Animal handling and feeding sessions
- Toddler time and music sessions
- Craft sessions

In addition, you will be required to

- Take part in our interactive seasonal activities, sometimes performing in a character role
- Supervise and keep play areas tidy
- Carry out toilet checks
- Clear tables and keep the visitor centre tidy

We will expect you to deliver excellent customer service, and to carry out activities and demonstrations with enthusiasm and confidence in this public-facing role.

You will be helpful and go out of your way to engage with our visitors, answer their questions and add value to their visit, providing them with a fun and educational day out.

You must:

- Be enthusiastic, with a friendly and outgoing personality
- Have lots of energy and enthusiasm to engage and entertain children and adults alike
- Be confident with public speaking
- Be a strong team player
- Be willing to work on your own initiative and show creativity

No experience is required but you must be enthusiastic and willing to learn.

Although this is a weekend job, you would be expected to work additional days during school holidays and busy periods.

**Minimum age requirement is 16years, and having access to your own car or reliable transport is also essential due to our location.**

To apply please email a covering letter and attach your CV to [Katie@rovesfarm.co.uk](mailto:Katie@rovesfarm.co.uk)

***Please ensure you note which job role you are applying for***
